COMMON GROUND GROUP MEMBERSHIP

Price: \$ 300/person

The Common Ground membership helps groups of people access sustainably grown local food. By combining the purchasing power of your friends, neighbours, and/or workmates, you can keep the fresh snacks and salad greens rolling your way all summer long! Crop selection will focus primarily on items that are the simplest for fresh eating, so the food will be easy to enjoy whether you are preparing meals at home or snacking on the go.

This membership includes:

- 20 consecutive weeks of fresh produce from early June to late October.
- Bulk deliveries valued at \$15 per person, containing 2 or 3 farmer selected products for each member.
- A crop selection focussed on salad greens, cucumbers, tomatoes, carrots, and snap peas with guest appearances from other crops like potatoes, onions, beets, garlic, radishes, and squash for a little variety.

Deliveries will be made on Fridays during business hours to groups located in Riversdale, Nutana, or the Central Business District. Groups outside of this delivery area may arrange to pick up their produce at the farm in Riversdale at noon on Fridays.

Groups must include at least 8 members to qualify. If your group has more than 7 members, deliveries will be scaled to match the size of group.

Memberships are available until March 31, 2018 or until they are sold out. Few Common Ground memberships are available so once your group is organized, contact us as soon as possible to secure your spot.
